IMPORTANT DISCLOSURES

1. Bali Retreat Points are treated and tracked separately from Vegas Blitz Chips.
2. IMPORTANT NOTE: As you earn points towards your Bali Retreat, you will also be earning chips for Vegas Blitz, but the points/chips WILL NOT count towards both contests.

How this works:

- a. If you choose to go on the Bali Retreat, the equivalent Vegas Blitz chips will be deducted for your Vegas Blitz total. Any Bali Retreat Points over the 20,000 minimum requirement will be converted to Vegas Blitz chips, and will be added to your Vegas Blitz running total. Note: The Triple points for your Personal Maintained Rank Advancements will not carry over to Vegas Blitz.
 - b. If you choose not to go on the Bali Retreat, the Vegas Blitz chips earned during the Bali Retreat qualification period will remain in your Vegas Blitz total. Note: The Triple points for your Personal Maintained Rank Advancements are only earned for Bali Retreat, Vegas Blitz will only award single chips.
3. YOR Health will cover up to \$750 USD of the Bali Retreat expenses per qualifying account. Attending IRs will be responsible for any expenses incurred above and beyond this amount.
 4. Only one trip per IR account will be awarded. Co-Applicants and Significant Others of the qualifying IR may be invited, but will be responsible for the full cost of their trip. (Qualifiers' Guest will be required to pre-pay a deposit by a specified date, TBD)
 5. There are no partial buy-ins to Bali Retreat.
 6. Rules, date and trip location are subject to change, at the discretion of YOR Health.
