The Banned Substances Control Group (BSCG) is an independent, third-party company with a Certified Drug Free® program that utilizes the most up-to-date testing procedures to ensure that products are free of harmful drugs or other contaminants that could lead to positive drug tests, which makes products that bear the BSCG seal approved and safe for use in professional sports. BSCG covers 483 drugs, which is more than twice of what other anti-doping programs offer. Included are 272 drugs on the World Anti-Doping Agency (WADA) Prohibited List banned in sport.

### YOR MUSCLE ENERGY®

Maximum Results for Intense Training

This blend contains key nutrients that will fuel your workout, promote quicker muscle recovery, and repair muscles post-workout at an accelerated rate.
